"A GIRL'S MOST ALLURING CHARM?"

Famous Screen Stars say: "Lovely Skin"

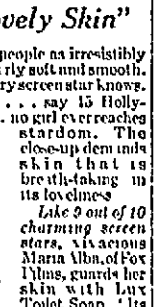
Nothing attracts people as irresistibly as skin that is utterly soft and smooth. This is a secret every screen star knows.

For without it . . . say 15 Hollywood directors . . . no girl ever reaches stardom. The close-up demands skin that is breath-taking in its loveliness.

MARIA ALBA

Like 9 out of 10 charming screen stars, vivacious Maria Alba, of Fox Films, guards her skin with Lux Toilet Soap. "Its lather is so soothing, it leaves my skin like velvet," she says.

Delightful Virginia Cherrill, of United Artists, also uses this white, delicately fragrant soap. "The close-ups magnify everything so that we must have skin that is flawless. Lux Toilet Soap keeps mine perfectly smooth."



VIRGINIA CHERRILL

Armida, piquant Warner Brothers' player, says "I *always* use it."

ARMIDA

This is the official soap in all the studio dressing rooms . . . Have you discovered Lux Toilet Soap? Luxury such as you have found only in fine French soaps at 50c and $1.00 the cake . . . now 10¢.

LAST NIGHT at the THEATERS

College Picture at Ohio

"HIDE OUT" at the Ohio for the last times tonight, is a college play with a different slant at college life. James Murray and Kathryn Crawford are featured Murray is the son of Carl Stockdale and the family name known to the bootleggers to the nation is Dorgan Murray, the king of the campus, is the greatest oarsman in the history of the university crew and it all depends on him to win the forthcoming regatta

But blood will tell and Murray begins hijacking He's caught but makes his escape from Robert Elliott, playing the plain clothes man To conceal his whereabouts Murray returns to college where his liquor traffic is unknown and assumes his college name of Morley Wallace

Murray falls in love with Kathryn Crawford and the night before the race they go to a notorious road house that is raided They escape by a back window and on the drive back to town are almost killed in an automobile accident

Robert Elliott finds Murray and promises him his freedom if he will throw the race It is a test of Murray's resolve to "go straight" but Murray doesn't know it

The boat race is good The picture ends as all approved talkies should with Murray and Crawford in a clinch

The comedy is one of the auto dramatic thrillers filled with haunted houses, moving skeletons, an inmate from a state hospital, and two young people in love It's good

Name No Guide to Good Show

THERE isn't much in a name after all The average theater patron would look twice and look again at the title of the play now running at the Marion and then gamble on whether or not to lay down the price of one, two or three and pass on the inside. If he takes a chance he gets his money's worth and if he passes it up has missed a flock of good laughs.

The story isn't highbrowish and neither is it a society play Doubbells in Trouble' is the title and the conclusions are yours to draw. The cast is exceptionally well chosen and there "isn't a dull moment" The comedy and fillings are on a par with the feature

Robert Armstrong as Jerry Malone, a prizefighter, is in love with Barbara Kent who as Faith Corey is the sheltered daughter of a mother very much interested in uplift work Arthur Hoyt also a reformer seems the right husband for Faith and the Congo is scheduled for their field of endeavor Grandma Corey who knows her prizefights round by round and keeps her cigarets hid under the pillow on the davenport has a busy time looking out for Faith's future and taking care of her own romance The climax arrives when Hoyt gets told by one of the girls caught in an illegal den of iniquity whom he is trying to start on the 'right road'

The Stars Say--

For Tuesday, June 3

AN eventful day is the augury based on a very interesting chain of celestial activities There will be a high degree of initiative and courage, crashing forth to break open a long stagnant and crystallized state of affairs and making way for important new ventures Nevertheless, there may be some disagreeable or hostile development with employers or those in authority, but with resolution, application and sustained courage all should thrive and attain certain stability and responsible position

Those whose birthday it is may look for a most eventful and important year, with the energies and faculties under high stimulus This may break open old congestions and obstructions to make way for high adventure and substantial success, despite the opposition of employers or those in places of authority, who may be disposed to hamper or demote With determination and stern application the most stable results may be expected, with assistance from elderly persons or institutions

A child born on this day should be resourceful, courageous, enterprising, and should attain stable place, position and fortune through its own efforts and determination.

WESLEY WINS HARD FOUGHT GAME 2-

HANDS FOREST LAWN TEAM INITIAL DEFEAT

Christians Move into First Division; U. B. Wallops Presbys 18 to 4.

BY BOB KIRKPATRICK
Sports Editor, The Star

WHEN better teams are built Wesley will beat them, apparently is the battle cry of the Wesley M. E. baseball squad after their 2 to 1 surprise beating of the highly touted Forest Lawn team in one of the three games played yesterday in Sunday School league No. 2. The defeat shoves the losers out of a tie for first place into a deadlock with the winners for the runner-up post. Lee street holds the top post, even though its game was not played yesterday. The game between Lee street and First Reformed was postponed.

St. Paul Lutheran took their third beating in four starts, this one from the Christian nine, to let the Christians gain possession of the last place in the first division of the league. The Christians have won two and lost two and are in fourth place.

U. B. got their bats into action for the first time of the season and walloped the First Presbyterians in a one-sided game, winning 18 to 4.

What a Game

Seldom do followers of recreation ball in Marion get the opportunity to see a better or more hard fought game than the Forest Lawn vs. Wesley setto. Conceded very little chance of beating the leaders, the Wesley team played heads-up ball for seven innings to hold the Forest Lawn sluggers to a single run and then nicked Mutt Kellogg for three hits and two runs to win the ball game.

Both teams played on even terms throughout the entire game although according to the general sentiment the winners had a slight edge in all-around play. Excellent support on the part of the Forest Lawn team kept them in the game for the full seven innings. Kellogg hurled better than average ball but not as good as he has done in the past. It would have been good enough to have beaten most in any other team in the league even though it lost to the Wesley crowd.

Lashley Hurls Well

F. Lashley hurled good steady ball all the way and was given excellent support by the fielders. He allowed but three Forest Lawners to hit safely. The winners nicked Kellogg for six hits.

Forest Lawn led by one run from the first to the seventh. In the final frame F. Justin banged out a circuit clout to tie the count and was followed by two more hits and a run to win the game for Wesley.

Score by innings:

Forest Lawn	100 000 0—1
Wesley	000 000 2—2

Batteries: Wesley—Lashley and Layman. Forest Lawn—Kellogg and G. Peadon.

Christians Win To Gain First Division

St. Paul's Lutherans made a brave but futile gesture towards chalking up their second win of the current season when they engaged the Central Christians on the Shovel diamond. What might have happened had the St. Paul nine been able to hold up in the seventh inning doesn't mean anything in the standig column, but had they held the sixth inning pace they would have relegated the Christians into a tie for last place and they would have been resting in the first division.

The Christian team took an early lead when it got a brace of hits and as many runs in the first inning and scored two more in the third. St. Paul crossed the plate but once in the first inning but tripled the number in the third to tie the score.

The Christians continued to outplay the losers for the next two innings, mostly on account of a lot of errors for the Lutheran crew. They ran the score to 7-4 before the losers scored any more. In the sixth inning Amick, hurling for the winners allowed five St. Paul batters to get to him for hits and before the chapter was finished the St. Paul bunch had brought in four runs and taken a single run lead. Had they been able to play defensively like they did on offense the game might have had a different ending.

Christians refused to be beaten and batted out three more hits in the seventh to bring its total number to 12 and also scored two runs to win the game 9 to 8. St. Paul did not get a hit in their final attempt at bat in the last of the seventh.

Score by innings:

Christians	220 021 2—9
St. Paul	103 001 0—8

Batteries: Christians, Amick, Middleton and Franz. St. Paul, D. Lindsey, Wheeler and Gates.

U. B. Batters Out 20 Hits To Win 18-4

United Brethren hit everything but the umpire in the First Presbyterian game and walloped the Presbies 18 to 4 after gathering a grand total of 20 hits for the day.

With both teams in an almost complete reversal of form there was nothing for the U. B. nine to do but walk up to the plate and hit. Sage hurled for the losers for the first six innings but was relieved by Kennedy in the seventh. Neither was able to hold the slugging U. B. team in check, although a lot of misplays by Presbyterian fielders were responsible for several of the scores.

The losers accounted for four runs and twice as many hits for the seven frames. It was the worst beating any team has taken during the season of 1930 in the Sunday School league No. 2.

Score by innings:

United Brethren	210 201 0—18
Presbyterians	000 002 2— 4

Batteries—U. B., Zuspan and Noble. Presbies — Sage, Kennedy, Church and Mickley.

TROJANS IN CHICAGO FOR ATTEMPT TO WIN HIGHEST TRACK TITLE

Southern California Team Boasts Perfect Record for Year.

By The Associated Press

CHICAGO, June 3—Southern California's Trojans, winners of every track and field [illegible] which they have tried this year, pulled into Chicago today in quest of one more title—the National Collegiate Athletic Association championship at Stagg field Friday and Saturday.

It was not expected that the whole U. S. C. team would compete but enough were figured upon to speed up competition. A "century of the centuries" would result with Frank Wykoff, winner of the 100 in the I. C. A. A. A. A. championships at Harvard last week.

George Simpson of Ohio State, Eddie Tolan of Michigan and Hubert Meier of Iowa State, as the top-liners. Wykoff, Simpson and Meier have marks of :09.4, while Tolan is the recognized world record holder at :09.5.

Lee Sentman of Illinois, winner of the high and low hurdle events in the Big Ten meet two weeks ago, will be back after two more titles. He will, however, encounter the best competition available if William Carls, Southern California star, who won the lows in the east last week at :23.7, and Dick Beckaway of Ohio State, compete. Sentman won the event in :23.2 at Evanston, and took the high hurdles in :14.9. The latter mark was not his best, however, he finished in :14.6 in the Kansas relays.

ON THE INSIDE

With Bob Kirkpatrick

ANOTHER postponement has been added to the ever increasing list of delayed games, the latest being the Star vs. K. of P. in the Commercial league. The game was originally scheduled for play earlier this week but was held off by rain. Rescheduled for Wednesday afternoon it has again been delayed due to the inability of several of the non-appearances to take part in the game on account of previously arranged affairs. The exact date for play has not been set but it may be played Thursday as part of a double header on the Steam Shovel diamond. This is not definite as yet.

* * *

One of the frequent upsets which make the recreational league games so well liked in Marion took place when the Wesley team defeated the Forest Lawn outfit for first loss of the season for the latter. Not very many thought Wesley would win, not because the team is weak but because Forest Lawn has looked to be about the class of the league. The games played before by Forest Lawn have shown that church to have one of the best teams in the league, if not the best. Lee Street was expected to be the nearest challenger.

Wesley deserved the win the way the members of the team both individually and collectively played ball. Now that Forest Lawn has been beaten someone will have to beat Lee Street to again bring last nights' losers back into the contenders position.

* * *

Five hundred per cent of the probable winners named yesterday came through with victories. None was named for the U. B.-Presby game as only two were left. The one between Christian and St. Paul ran true to form but we lost out on the Wesley-Forest Lawn game. That [illegible] us with slightly over .500 per cent.

If, after naming the probable winners for the games today we continue to maintain a .500 per cent average it will be nothing short of fortunate. The No. 1 league contests today are being played between teams that are closely matched and anything may happen before the last man has been put out in the seventh inning.

Nevertheless here are four probable winners. Epworth Seniors to beat Epworth No. 1 in a plenty close game. Epworth Juniors to beat Calvary for the upset of the day. Lutherans to beat Christians and St. Mary's to beat Trinity Baptists. NOW ALTOGETHER — LOUDER AND FUNNIER.

32 REMAIN IN PLAY FOR GOLFING TITLE

Trans-Mississippi Title Aspirants Face Stiff Wind in Qualifying Round.

By The Associated Press

TULSA, Okla., June 3—[illegible] by Mrs. Dorothy Klotz Pardue, of Sioux City, Ia., 32 expert feminine wielders of wood and iron today entered championship play for the 1930 Trans-Mississippi golf crown.

The 32 remained out of a field of 186 players who sought to qualify in yesterday's 18 hole test. While most of the favorites survived the qualifying round, they were forced to battle against a stiff wind and the threats of many lesser known players whose cards failed of admittance to the select group by only two or three strokes.

The 96 contestants whose scores ranked next to the first 32 were grouped into six minor flights of 16 players each. A trophy is being offered in each flight.

Mrs. Pardue, who declined an invitation to become a member of the American women's team now playing in Europe, carried off medalist honors with an 86 for the qualifying round. Mrs. Hulbert Clarke of Oklahoma City stroked her way into second place with an 81.

SENATORS WIN FROM LOUISVILLE TO HOLD PLACE IN STANDINGS

All Association Teams To Remain Inactive Today; Louisville Leads.

By International News Service

FOUR teams in the American Association took a much-needed rest yesterday and all eight outfits in the loop will remain inactive today, which gives the scribe space and time to comment on a prediction which was made before the season started.

At that early date, when it was much too early to begin counting chickens before they were hatched, dopesters were unanimous in picking Kansas City as the 1930 pennant leader.

Blues Look Bad

Today, Kansas City is in sixth place with a very unimpressive record. True, it is never too late to begin, but the Blues do not look as if they intend to [illegible] 14 innings of baseball yesterday, they allowed the seventh-place Milwaukee Brewers to score a run for a victory, 6 to 5.

In the only other game contested yesterday, the Columbus Senators turned on the first-place Louisville Colonels and beat them out to an 8-to-3 win. The Senators are in third place, two and one-half full games behind second position, which they held less than a week ago.

Standings remained unchanged with St. Paul second, Toledo and Indianapolis tied for fourth, and Minneapolis in the cellar.

This Game of GOLF

By O.B. KEELER

By The Associated Press

LONDON—I watched a slender, tawny-haired young fellow named Albert Edward finishing a golf match on the new course at Sunningdale the other afternoon, and his performance left me with the ineradicable impression that the Prince of Wales, in addition to many sterling and engaging other qualities, possesses in an exceptional degree the ability to finish at his best in a hard golf match under fire.

The prince was playing with Bobby Jones, United States open champion, against Sir Philip Sassoon and Harrison Johnston, United States amateur champion, in a Scottish foursome at Sunningdale; and it looked as if Albert Edward and Bobby Jones were in for a licking. Square at the turn, this pair had gone haywire, you might say, sufficiently for Sir Philip and "Jimmy" to get them three down through the fifteenth green; a most uncomfortable situation, known as Cornie, or, more slangily, "in the doghouse." This means, as you probably know, that one side of a match is as many holes up as remain to be played.

IN a true foursome, each side plays a single ball, the partners striking alternately from the tee and thereafter until the hole is played.

Now, beginning at this point, Albert Edward played exactly four shots in the next three holes. And each of them, I am able to tell you from close observation was as fine a golf shot as he could produce. I mean, within his limitations or range, the prince played four absolutely perfect golf shots in the desperate collateral effort with Bobby Jones, who also was bearing down, to square the match at the last green.

* * *

THE prince drove a bold and finely placed shot from the sixteenth tee, in a position from which Bobby could, and did plant a great pitch ten feet past the pin. Sir Philip's drive was pulled to the heather and Jimmy had to play out sideways. The prince was not asked to putt, his side being conceded the hole after a wood shot by Sir Philip missed the green.

Bobby placed a neat iron shot on the seventeenth green, ten yards from the cup, and the prince, putting in a style reminiscent of Leo Diegel, nearly holed the approach for a deuce. Stone dead for a par 3, this hole was won against a 4.

The prince from the eighteenth tee—one down and one to play—produced another fine drive 15 yards ahead of Sir Philip. Johnston essayed a big spoon to the distant green and shoved to a bunker, and Bobby, for his side, discharged a spoon shot which looked perfectly good at first, but just curled into another bunker, at the left-front of the green. It was up to the prince and Sir Philip, and it is true the latter found the ball in a virtually impossible situation. Anyway, his blast failed of extrication; and after Johnston had got the ball on the green in 4, the prince, wading into the bunker, exploded the ball neatly, ten feet from the flag, the shot winning the hole and halving the match.

Let an old golf reporter, then, say that the Prince of Wales finishes well under fire; and that there are worse epitaphs in bronze and granite than that.
